TECHNOLOGY

Sailun PCR Catalogue

- ATREZZO ERANGE with EcoPoint³ TECHNOLOGY achieves ultra-high performance, delivering maximum safety and pushing the boundaries of compromise. Tailored specifically for electric and hybrid vehicles yet meets the requirements for all drivetrains.
- Increased Mileage: Low carbon EcoPoint³ compound, specially formulated for electric vehicles, to prolong tyre lifespan with even tread wear.
- Soundproofing Technology: Utilizing Silent Tread Technology, the ATREZZO ERANGE provides a serene and enjoyable driving experience.
- Ultimate Control: Industry leading EV tyre performance, superior dry / wet braking, and handling.
- Premium Aesthetics: Refined appearance with matte-black velvet laser sidewall technology.

Performance Data

Tyre Size: 255/40R20
Based on TREAD test

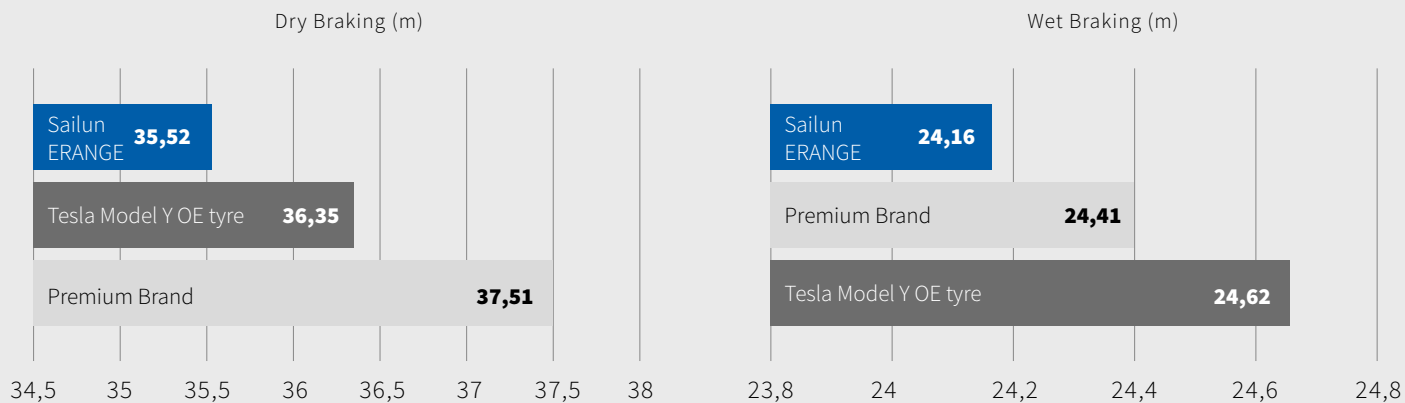

EU Tyre Label Values

Fuel Efficiency: B
Wet Grip: A
Noise Level: B

Dimensions

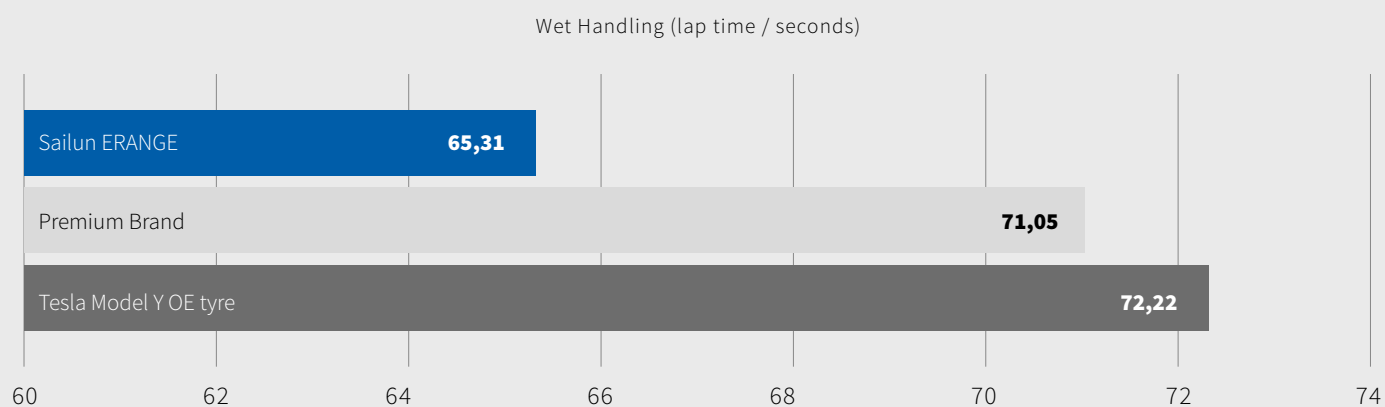

Tyre Width in mm: 225 – 305
Tyre Cross Section: 30 - 55
Rim Size in Inches: 18 - 21
Speed Symbol: T - Y

Premium performance in dry and wet braking.

Complete Safety: With shorter braking distances in both wet and dry conditions, beating the performance of the market leaders.

Premium performance wet handling.

Ultimate Control: Experience better control and handling in various conditions, providing a confident and enjoyable driving experience matching the market leaders.

SILENT TREAD

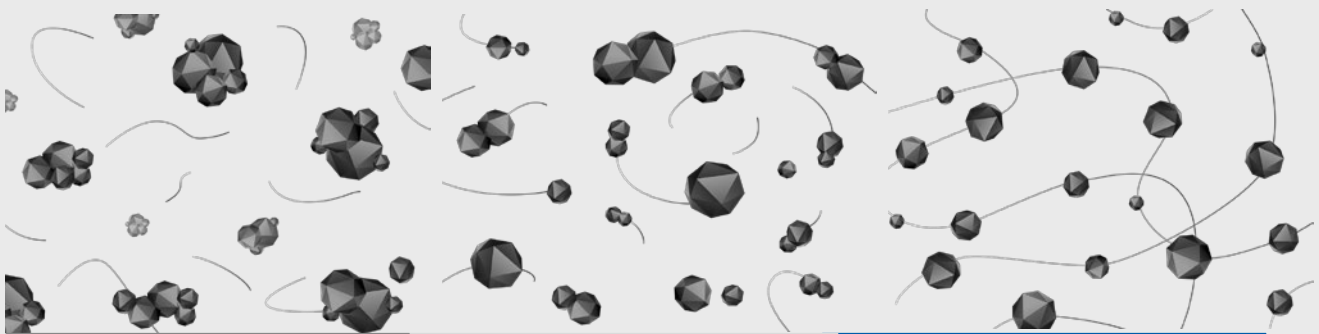

Quieter Experience: Enjoy a quieter and more comfortable driving experience with Silent Tread Acoustic Technology, reducing tread noise by 9dB for a peaceful ride.

Eco-Friendly Choice:

Contribute to sustainability with EcoPoint³ Technology, making an environmentally conscious choice that aligns with green initiatives.

1. Material Properties

- Strong Polymer-Filler Interaction
- Filler-Filler Interaction Low
- Exceptional Filler Distribution

2. Rubber Properties

- Low Heat Build-Up
- Increased Strength and Flexibility
- Softer Tread

3. Tyre Properties

- Excellent Fuel Efficiency
- Extended Mileage
- Better Grip
- Good Driving Comfort

Trusted Performance:

Drive confidently, tested and approved by AUTOBILD for ultra-high performance and safety.
