TYRE

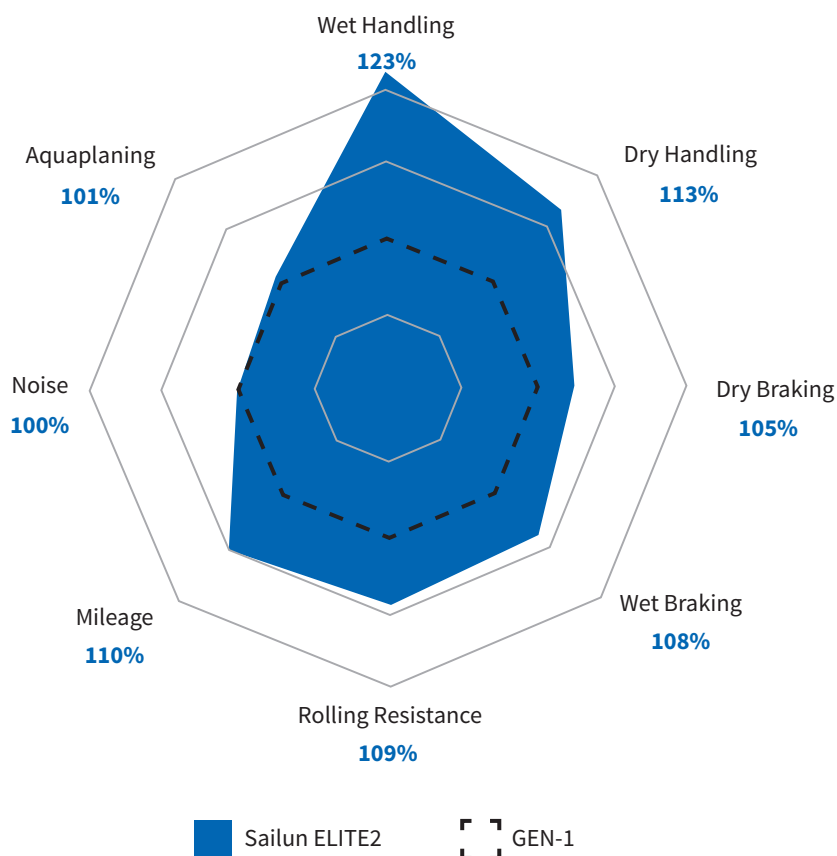

ATREZZO ELITE2.

Versatile performance with uncompromised safety.

- Discover unparalleled handling capabilities on both wet and dry surfaces.
- Experience premium safety and comfort on every journey.
- Depend on safe and secure braking with our latest EcoPoint³ technology.

EU Tyre Label Values

Fuel Efficiency: D - B

Wet Grip: B - A

Noise Level: B

Dimensions

Tyre Width in mm: 145 - 245

Tyre Cross Section: 40 - 70

Rim Size in Inches: 13 - 18

Speed Symbol: H - Y

Exceptional safety and control:

The innovative pattern design, and application of a high-resin tread compound ensure a well-balanced tyre performance on both dry and wet road surfaces, promoting safety.

Enhanced compound technology achieves an optimal balance between wear resistance and rolling resistance, whilst enhancing grip.

Ultra-quiet and supremely comfortable:

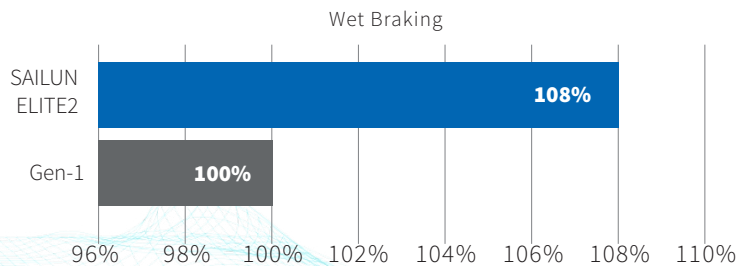

Simulation technology reduces tyre-road noise for a quieter ride, while the knurling design at the tread groove base disrupts airflow vibrations, further lowering noise levels.

Extended life:

Latest wear resistant compound with high tread elasticity achieves a first-class balance between mileage and energy efficiency.

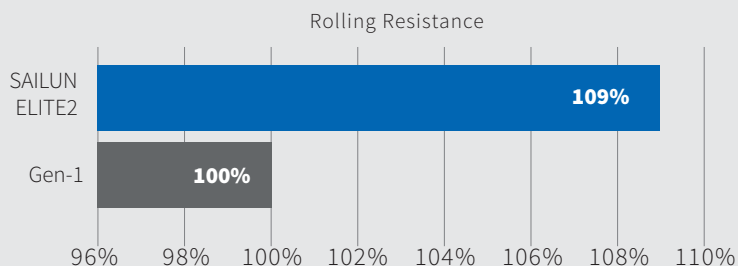

Exceptional safety and control:

The innovative pattern design, and application of a high-resin tread compound ensure a well-balanced tyre performance on both dry and wet road surfaces.

Performance and efficiency combined:

Enhanced compound technology achieves enhanced grip whilst reducing rolling resistance.

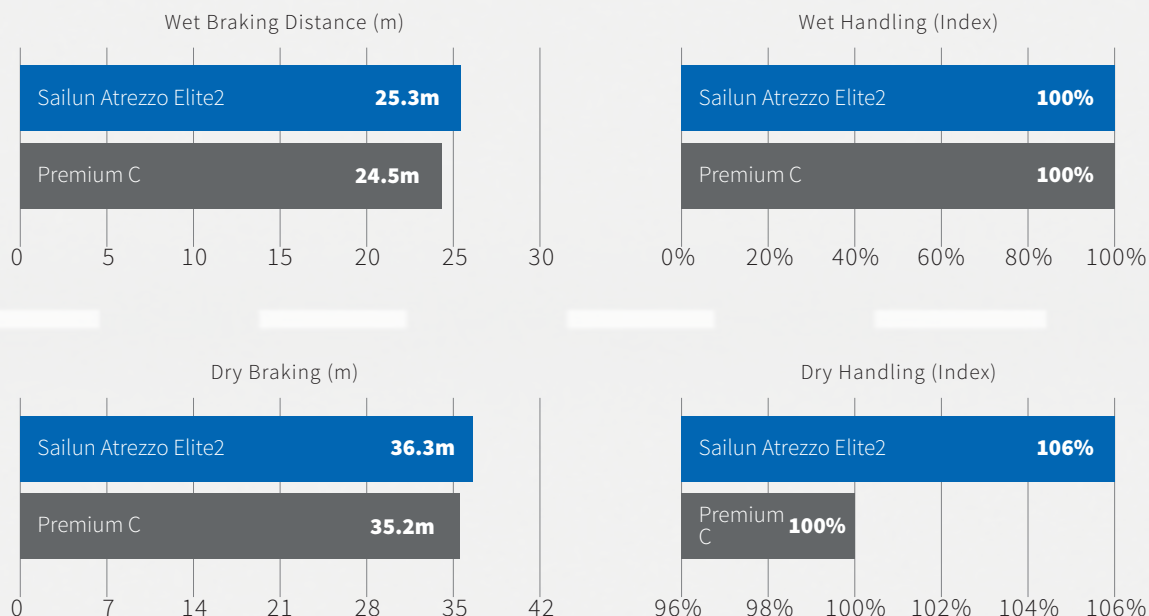

Ultra-quiet and supremely comfortable:

The knurling design at the base of the tread groove disrupts airflow vibrations, effectively reducing noise levels. Our EV-ready marking ensures the tyre meets the requirements of electric vehicles, as well as combustion and hybrid engine cars.

Premium performance, independently verified in Europe:

Verified premium performance and benchmarked against industry leading products.

Increased wear performance offering outstanding value:

Latest wear resistant compound with high tread elasticity achieves first-class mileage¹.

1. Disclaimer: based on wear test performance conducted with DEKRA and internal market pricing study.
