

ULTRA HIGH PERFORMANCE TYRE

# ATREZZO ZSR

## PERFORMANCE RATINGS:

The new generation **ATREZZO ZSR** is engineered to deliver precise wet and dry handling performance. With an asymmetrical tread design and enhanced tread rubber formula, Atrezzo ZSR rises to the challenge and provides exceptional performance on the street and on the highway.

### ■ HIGH SPEED STABILITY

The central rib pattern improves high speed stability to improve driving comfort.

### ■ CORNERING

The reinforced shoulder design improves grip for effective cornering capabilities.

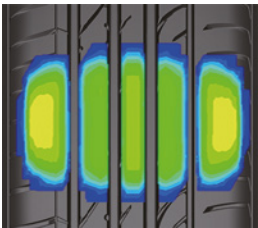

### NOISE EMISSION

The various groove angles evenly distribute vibrations generated while running to reduce noise emissions. The design has been measured to reduce noise emissions by about 3%.

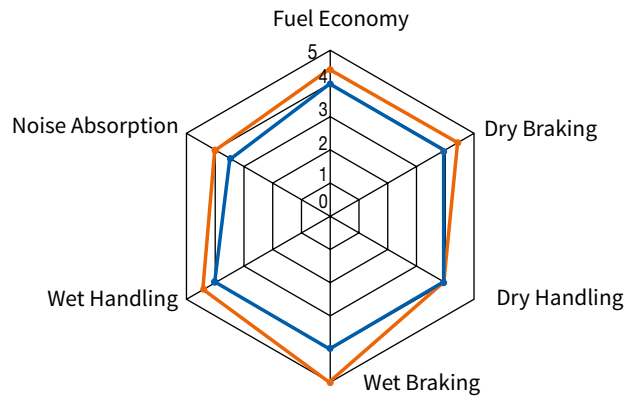

### EXCELLENT DRAINAGE PERFORMANCE

Grooves with varying widths efficiently drain water to reduce hydroplaning and improve fuel efficiency.

### LONGER TREAD LIFE

Through our testing, we have ensured greater driving stability and promoted uniform wear by increasing the tyre's ground contact area by 6%.
