

ALL-TERRAIN LIGHT TRUCK & SUV TYRE

TERRAMAX A/T

PERFORMANCE RATINGS:

The **TERRAMAX A/T** is designed to deliver superior traction for SUVs, pickups and vans both off and on road. The A/T provides exceptional handling and on-and-off-road stability while maintaining a comfortable ride.

OFF-ROAD DURABILITY

The tread pattern effectively reduces stone retention and is capable of withstanding punctures from harsh road conditions, effectively protecting the tread from damage.

EXTENDED LIFE

The staggered tread blocks promote even tread wear to increase tyre life.

CLAW-LIKE SHOULDER

Domineering claw-like shoulder effectively dissipates heat for improved long-distance, high-speed travel.

SIDEWALL SHIELD

A shield design at the rim protects the tyre from collisions impacts, and supports the sidewall.

MOUNTAIN DESIGN

The protruding sidewall mountain design improves sidewall strength and abrasion resistance.
